

CERTIFICATE of ACCREDITATION

This is to certify that **Airport Carbon Accreditation**, under the administration of WSP, confirms that the carbon management processes at

have earned the accreditation level of **TRANSITION**, in recognition of the airport's exceptional work in aligning its carbon management with global climate goals to reach absolute emissions reductions, establishing related partnerships with its business partners and compensating responsibly the residual CO₂ emissions under its control, as part of the Global airport industry's response to the challenge of Climate Change.
