**Contract no. .... for the recognition to the Carrier of the corresponding compensation due for the performance of the obligations arising from the Expression of Interest for joining the SAF Support Program at the Milan Linate and Milan Malpensa Airports - promoted by SEA for the year 2024**

### WHEREAS,

- the undersigned (hereinafter SEA) and your company (hereinafter Carrier), collectively referred to as Parties, define the mutual obligations relating to the services set out in this agreement (hereinafter Contract), in accordance with the discipline expressed hereunder;
- SEA has built and manages the Milan Linate and Milan Malpensa airports in accordance with Law no. 194 of 18.4.62 and Convention no. 191 of 7.5.62, as amended by the S.E.A./ENAC agreement of 4/09/01, which extended the private regime of the Milan airport system until 4.05.2041, a deadline further extended to 4.05.2043 by article 202, paragraph 1 bis, of Decree Law no. 34/2020;
- SEA strongly supports policies and initiatives for the decarbonization of the aviation sector, aligned with the global Net Zero 2050 objective and with specific sectoral programs at international and national levels, including the National Airports Plan and ACI's Airport Carbon Accreditation program;
- SEA has entered into a Framework Agreement with ENI, which allows airlines operating scheduled, charter and/or cargo traffic at Milan Linate and Malpensa airports to refuel with Jet A1 fuel, including a quota of Sustainable Aviation Fuel (hereinafter SAF), at these airports (hereinafter Carriers);
- on 18<sup>th</sup> April 2024, SEA launched an Expression of Interest, published at <https://seamilano.eu/business/it/b2b/fornitori/portale-gare> aimed at promoting a SAF Support Program to encourage Carriers to refuel and use SAF;
- the Carrier responded positively to the Expression of Interest, thus making itself available to comply with the obligations arising from the SAF Support Program for the year 2024. To this end, it has informed SEA of the amount of SAF it intends to draw from SEA's fuel depots for the reference year;

- the Carrier declares that it is aware of and undertakes to comply with the laws, regulations, conventions and ordinances governing airport activities, including the movement of people and/or vehicles, as well as SEA's obligations to the State Administration regarding service continuity and airport management;
- this Contract regulates the terms and conditions for the recognition of compensation in return for the Carrier's compliance with its obligations arising from its participation in the SAF Support Program, as set out in Article 3 hereof;
- the Carrier holds all licenses and/or authorizations required by the laws and regulations of its country of origin to carry out its activities;
- for everything not expressly provided for in this Contract, reference is made to the provisions of the Civil Code.

In light of the foregoing,

**IT IS HEREBY AGREED AND STIPULATED AS FOLLOWS:**

**1) Preamble**

The preamble forms an integral and substantial part of the Contract.

**2) Contractual documents**

1. The following documents are an integral part of this Contract:
  - Terms and Conditions - Supply Contracts rev. 1 (core business contracts' clauses) and related sub-attachments (Attachment "A" - Electronic Invoicing Instructions, Attachment "B" - Privacy Notice) <https://seamilano.eu/business/it/b2b/fornitori/documentazione-contrattuale> where the terms "Appaltatore" and "Fornitore" are to be understood as equivalent to Carrier, and the term Committente equivalent
  - Expression of Interest Form for the SAF Support Program - year 2024.
2. In case of conflicting interpretations due to discrepancies among the aforementioned documents, the Carrier shall comply with the Contract and other contractual documents in the order indicated above.
3. In the event that the same contractual document prescribes alternative or conflicting performance requirements, the Carrier shall perform the obligations according to SEA's choice.

**3) Subject**

1. The Contract concerns the recognition by SEA of a compensation to the Carrier, in return for the Carrier's commitment to using the SAF, taken from the fuel deposits located at the airports of Milan Linate and Milan Malpensa. This compensation is recognized exclusively within the maximum limits of the quantities declared in the Expression of Interest Form, subject to the allocation among the carriers adhering to the SAF Support Program according to the modalities indicated in art. 3 above.

2. The Contract does not constitute any exclusive obligation in favor of the Carrier.

#### **4) Validity**

1. The Contract shall be effective from the date of signature until 31<sup>st</sup> December 2024.

#### **5) Compensation**

1. In consideration of what is declared by the Carrier in the Expression of Interest Form for the SAF Support Program - year 2023 and, in any case, in accordance with the allocation modalities indicated in art. 3 of the SAF Support Program, SEA recognizes to the Carrier, as an all-inclusive sum for the obligations assumed by the Carrier, the amount of Euro ..... (.....), plus VAT if due, corresponding to a quantity of SAF equal to ..... tonnes.

#### **6) Invoicing Methods - Payments**

1. The invoicing of the compensation will take place in a single document issued by the Carrier, only after SEA has verified and approved adequate documentation proving the actual SAF supply carried out by the Carrier at the airports of Milan Linate and Milan Malpensa, in accordance with what is provided for in art. 3 of the SAF Support Program.

2. With regard to the article "Pagamenti - Cessioni" of the Terms and Conditions, payment of the amounts indicated above shall be made 30 days from the end of the invoice month.

#### **7) SEA Obligations**

1. Regarding the contractual performance characteristics and the provisions outlined in the "Oneri della Committente" article of the Term and Conditions, the following obligations are at the expense of SEA:

- appointment of the Director of Contract Performance

2. In relation to the peculiarity of the performance object of the Contract, the charges referred to in Article " Oneri della Committente" of the Terms and Conditions from letter "a" to letter "e" do not apply.

#### **8) Carrier's Charges and Obligations**

1. In addition to the charges specified in the "Oneri e obblighi dell'Appaltatore" article of the Terms and Conditions, the following additional charges are fully borne by the Carrier:

- the obligation to provide the documentation referred to the article n° 6) Invoicing Methods - Payments as proof of the actual use of SAF quantities in each sub-period;

- any other charge, even if not expressly mentioned in the Contract or in the related attachments, necessary for the execution of the Contract.

2. In relation to the peculiarity of the performance object of the Contract, the charges referred to in the "Oneri e obblighi dell'Appaltatore" article of the General Contract Conditions from letter "c" to letter "hh" do not apply.

9) Confidentiality

In relation to the provisions of Art. "Confidentiality" of the General Terms and Conditions, it is clarified that they are referred to both Parties.

**10) Carrier's Representative**

In relation to what is provided for in the "Rappresentante dell'Appaltatore" article of the Terms and Conditions, the Carrier will be represented, for all purposes, in its relations with SEA, by Mr. ....

**11) Contract Execution Director**

In relation to the "Direttore dell'esecuzione del Contratto" article of the Terms and Conditions, SEA appoints the person responsible pro tempore for the Environment and Funding Initiatives Division as its Contract Execution Director.

**12) Inapplicability of Terms and Conditions clauses**

Due to the peculiarity of the subject of the Contract, the following provisions of the Terms and Conditions do not apply:
