

Ground Safety Recommendation
31 - 2019

GROUND SAFETY RECOMMENDATION

DOCKS HEIGHT and FINGERS

Recently due to vehicles transit with heights exceeding the permitted limits, important injuries have occurred with damage to infrastructures.

REMEMBER:

- In presence of passage on the road with limited height, the operator must pay attention to driving directions, always present, that may change in relation to the areas in which he travels.
- **DOCKS and FINGERS'** heights can change a lot especially **If you travel outside tracks.**

Be safe at all times!

Make sure this Ground Safety Recommendation is well exposed on your workplace (Safety Corner)
