

Ground Safety Recommendation  
23 – 2018

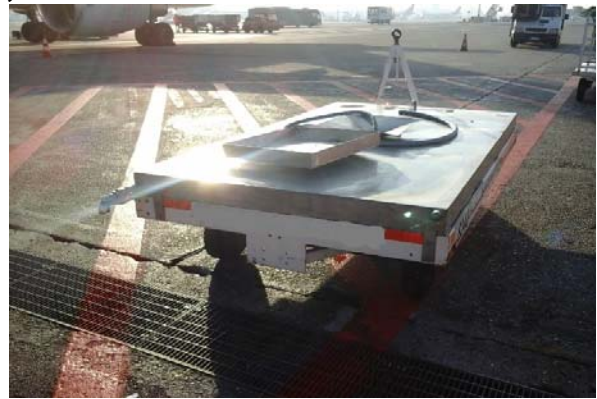

## GROUND SAFETY RECOMMENDATION

# LIQUID DISCHARGE IN APRON

**IN APRON IT IS STRICTLY FORBIDDEN TO DISCHARGE LIQUID DIRECTLY TO THE GROUND, EVEN WATER**

There are tools suitable for this purpose, **USEFUL**

### REMEMBER:

- ✓ Liquids can make the ground slippery.
- ✓ Water in winter can freeze and vehicles and equipment on icy ground can cause accidents and damage to A/C
- ✓ Always report different behaviors from the procedures.

# Be safe at all times!

Make sure that this Ground Safety Recommendation is prominently displayed at your workplace (Safety Corner)
